The date on which the petition under 37 CFR 1.136(a) and the appropriate extension fee have been filed is the date for purposes of determining the period of extension and the corresponding amount of the fee. Continuation of 3. NOTE: The new issues are at the least the proposed claim limitations directed to defining parts of the body or stand and the supporting cell being connected to the middle part of the stand.

Continuation of 11. does NOT place the application in condition for allowance because: the claims as finally rejected do not distinguish the claimed system from the cited prior art.
